

A vertical rocket is shown on the left side of the image, launching at night. The rocket is white with black and orange bands. Bright flames and smoke are visible at the base. The background is a deep blue sky filled with numerous white stars of varying sizes. The text 'День Космонавтики' is written in a large, white, sans-serif font with a blue glow effect, centered in the upper right portion of the image.

День Космонавтики
